Requests him to furnish information as to whom the lands on which the cattle collect belong to, whether the lands partly or wholly belong to the temple & if so whether any portion of the realisations from fees has to be given to the temple, and whether the Dist Board have agreed to the levy of the proposed fee of one anna per head of cattle.

15) ^{From} The Rev. Comm in Mysore No. 7983d 18¹²/₁₃

Forwards the Chitaldang Deputy Commr's letter no 234 dated 12th Dec 1913 stating that no portion of the realization from fees on cattle at Hanthar need be paid to the temple as the cattle collect on private land & that the District Board are agreeable to the proposed levy.

16) It has been laid down that the organization and management of Cattle Shows is a matter that should be left to the local non-official & officials (Vide para 1 of G.O. No. 7007-24/KS 189-09-3 dated 22nd Feb 1911). The District Board desire that the show be made an annual event & administered ^{solely} as a Dt Bd Concern ~~and the~~ ^{legislation} Sec 7 of the L.B. Regulation contemplates of such shows being controlled by District Board. Sec 20(7) of the L.B. Regn empowers the Dt Bd to levy fees for the use of lands on the occasion of fairs & festivals.

Serial

17) A large number of Cattle collect at Harihar on the occasion of the Sangameshwara Swami Vrata and if the levy of one anna per head of cattle is sanctioned there is no doubt that the realizations will more than cover the expenses incidental to the show provided sufficient safe guards are provided for the careful collection of fees.

18) It is reported that the cattle are picketted on private lands, and when fees are eventually when fees are levied the owners of lands are likely to object to the gathering of cattle on their lands unless they are compensated for the use of the land by the cattle owners. The sale of manure is likely to yield a considerable income every year. It is therefore a point for consideration why the private lands should not be acquired under the provisions of the Land Acquisition Regulation in case it is decided that the show shall be an annual function to be managed ~~and~~ by the District Board.

20) The show is held at a time of the year when there are no crops on these lands. The owners are not likely to complain. They have not till now complained either here, or say in Chunchunkatte, Kuddi or Rampur. None of which places the cattle are, to my knowledge, picketted on private lands, and fees are levied by the Dh. Board.

Summary of discussion.—In connection with the Sangameswaraswami Jatra at Harihar, a cattle show was organized and held during the last three years. In one year an Agricultural Exhibition was also held. In view of the importance of the place and other facilities that Harihar has, the cattle show may be made a permanent annual function together with the Agricultural Exhibition.

S I R,

With reference to your letter No.10489/L.B.311-12-2 dated 30th June 1913 inviting attention to Dasara Representative Assembly subject No. 537 of 1912 about the annual Cattle Show and Exhibition at Harihar and calling for a resolution of the District Board together with my own opinion, I have the honor to state that the subject was placed before the meeting of the District Board held on the 10th July 1913 and that it has been unanimously resolved that the Cattle Show and Industrial and Agricultural Exhibition be made an annual function. A copy of the resolution is enclosed herein.

2. It may be stated in this connection that the Cattle Show is being held at Harihar for the past 4 years. The reports submitted from this office will indicate that the show is growing in importance every year. The advantages which the ryot population derive from such shows have been sufficiently explained in the previous reports on the subject and need not be reiterated. Harihar is a place best fitted for holding the Cattle Show as the Tungabhadra river affords plenty of space in the river bed for men and cattle to collect with facilities for the supply of water and other conveniences. Further Harihar being a Railway Station affords additional facilities for merchants and intending purchasers from various parts to attend the show without much inconvenience. In consideration of the above favorable circumstances it was urged in previous reports relating

(5)

to the show that the show should be made a permanent one. I fully concur in the views expressed therein and recommend that the proposal may kindly be sanctioned in view of the fact that the number of cattle collected here is considerably larger than that at the Show of Nandi in the Kolar District.

3. A statement showing the income and expenditure of the past 3 years relating to the Show at Harihar is enclosed herein. It is seen therefrom that the realizations excluding the District Fund contribution, leave only a small balance after meeting the expenses incidental to the Cattle Show. The District Board cannot be expected to make the contribution permanently and without improving the resources it is not possible to organize a regular Industrial and Agricultural Exhibition as suggested by the Dasara member and approved by the District Board.

4. From the information kindly furnished by the Deputy Commissioner of the Kolar District, it is seen that a fee of four annas a pair is levied on all cattle collected at Nandi Show, while at Harihar the fee is being collected only on cattle admitted to the Show. I therefore propose that the District Board of this District may likewise be authorised to levy a moderate fee of one anna on each head of cattle that collect at the Harihar Show. By this means the District Board will be able to secure a good income and the function will be a self supporting one.

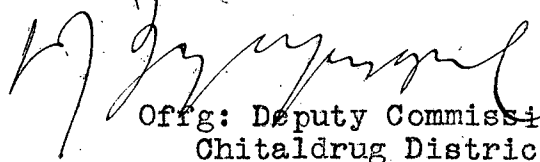

5. On receipt of orders sanctioning the above proposal, I shall submit, in consultation with the District Board, a scheme for the regular organization of Industrial and Agricultural Exhibition simultaneously with the Cattle Show.

6. I request the favor of early orders in the matter.

I have the honor to be,

S I R,

Your most obedient servant,

Offg: Deputy Commissioner,
Chitaldrug District.
